

**Rev. Lisa is an ordained minister of Religious Science, and teaches Science of Mind Classes and Native American ways. She uses her variety of skills as a credentialed counselor, encouraging and empowering others to see “the good, true and beautiful” within, for both adults and children. She has studied medical intuition, and has had amazing results in both her energy work and her Soul Sessions. She is available for teaching and facilitating a variety of classes and workshops. Check the Inner Peace website for endorsements of Rev. Lisa’s work;
